

Year 1 / Level I (not more than 30 units)				
S1	# BIOLOGY 1101 Biology I: Molecules, Genes & Cells or # BIOLOGY 1401 Concepts in Biology I	GEOLOGY 1103 Earth Systems	SCIENCE 1400 Science or Fiction I	Approved Level I Elective
S2	BIOLOGY 1202 Biology I: Organisms	ENV BIOL 1002 Ecological Issues I	STATS 1004 Statistical Practice I (Life Sciences) [or Semester 1]	Approved Level I Elective
Year 2 / Level II				
S1	ENV BIOL 2500 Botany II	ENV BIOL 2503 Zoology II	Approved Level II Elective	Approved Level II Elective
S2	ENV BIOL 2502 Ecology II	Approved Level II Elective	Approved Level II Elective	Approved Level II Elective
*Global Experience: The Faculty of Sciences recommends students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 and/or Semester 1 of Level 3.				
Year 3 / Level III (at least 24 units)				
S1	ENV BIOL 3520 Research Methods in Marine Biology III	ENV BIOL 3121 Concepts in Ecology III	ENV BIOL 3124 Foundations in Marine Biology III	Approved Level III Elective
*Global Experience: The Faculty of Sciences recommends students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 and/or Semester 1 of Level 3.				
S2	ENV BIOL 3500 Marine Biology III (6 units)		Approved Level III Elective	Approved Level III Elective

ALL COURSES ARE WORTH 3 UNITS UNLESS OTHERWISE SPECIFIED

Key

Core Course	Elective Course
-------------	-----------------

Check [Course Planner](#) or with the Faculty of Sciences Office to ensure you meet the pre-requisites prior to enrolling into this course.

Enrolment Advice

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of **72 units** are required to complete the Bachelor of Science (Marine Biology) program.
- 24 units will usually be completed for each of Levels I, II and III.
- At least 24 units must be completed at Level III.
- You may substitute an appropriate course chosen from Level II to fulfil the requirements of Level I, or from Level III to fulfil the requirements of Level I or II.
- A candidate may complete a major in a discipline as set out in the Bachelor of Science [program rules](#).
- There is a limitation on the amount of 'Non-Science' courses that can be presented. **Do not assume that because a course is offered through Sciences, that it automatically counts as 'Science'** (e.g. Animal Science courses). Please refer to your [Program Rules](#). If in doubt consult the Faculty Office for advice.

Enrolment Advice Cont.

- No level 3 course may be used to meet the requirements of more than one major. (For example, if *Research Methods in Environmental Biology III* is used to qualify for a Zoology major, it cannot also be used to qualify for an Ecology Major). **The exception is ENV BIOL 3006 Research Methods in Environmental Biology III, ENV BIOL 3510 Research Methods in Ecology III, ENV BIOL 3530 Research Methods in Evolutionary Biology III**, where these courses are incompatible but required for the majors: Botany, Ecology, Ecology and Spatial Science, Evolutionary Biology and Zoology. An alternative Level III ENV BIOL course can be substituted.
- Please consult your Program Coordinator <http://www.sciences.adelaide.edu.au/current-students/contacts/coordinators/#ug> or contact the Faculty of Sciences Office for advice.
- If you commenced your program prior to 2016, please contact the Faculty of Sciences Office for variations to your study plan.

Electives and Broadening

You must complete elective courses to the value of 30 units, which may include:

- Other undergraduate courses offered by the University up to the value of 9 units in total at levels I and/or II
- A maximum of 6 units of courses can be chosen at Year 1, from other Faculties of the University.
- No courses at Year 3 can be chosen from other Faculties of the University.
- Please refer to your Program Rules for electives and all other requirements <http://calendar.adelaide.edu.au/>
- For Faculty of Sciences electives, see our website: <http://calendar.adelaide.edu.au/faculty/sciences>
- For information about electives from other faculties, restrictions and pre-requisites, search the course planner: <https://access.adelaide.edu.au/courses/search.asp>

Global Experience

The University of Adelaide is committed to offering its students the opportunity to study overseas through a Global Learning Experience. This experience is available in a wide range of degrees and can include student exchange (for either one or two full semesters), study tours, internships and placements. There are many exciting opportunities in Europe, Asia, the Americas, Africa, and Oceania ranging from a few weeks to a full academic year.

* The Faculty of Sciences recommends students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 and/or Semester 1 of Level 3. To find Global Learning opportunities available in your study area click [Global Experiences](#).
